The screenshot shows two overlapping windows. The main window is titled "Adobe Photoshop CS3 Extended : Phone Options" and contains a "Phone Activation" dialog. The dialog has four steps: 1. Select a location (United States) and provide toll-free (1 866 772 3623) and direct (1 206 675 6222) numbers. 2. Provide Serial Number (1330-1970-6484-7972-1600-5480), Activation Number (3302-6181-8460-0625-8767-1590-4895), and Activation Type (Normal). 3. Enter an Authorization Code (1580 3289 6619 0301 2262 4895) and click "Paste". 4. Click "Activate".

The smaller window is titled "Adobe Photoshop CS3 Ex - Morden" and contains a keygen tool. It displays the Adobe Photoshop CS3 EX logo, a QR code, and a serial number (1330-1970-6484-7972-1600-5480). Below the serial number is a "Generate Serial Number" button. The next field shows the activation number (3302-6181-8460-0625-8767-1590-4895) with a "Copy" button. The next field shows the authorization code (1580 3289 6619 0301 2262 4895) with a "Generate Activation Key" button circled in black. At the bottom, there is a URL (http://morden.blog.shinobi.jp) and a "MOR DI" button.
