	Recovery Media Creation		
	Welcome to Recovery Media Creation		
	Use this program to create recovery media for your computer.		
	Create recovery media using blank DVD(s)		
	Create recovery media with a USB flash drive		
	Note: 1. Recovery media enables you to restore your computer to it's original factory state, NOT its current state.		
	 You can only create the recovery media once for your computer. Create your recovery media now, label it, and then ensure that you store it in a safe place. 		
	4. You can restore your computer with the recovery media even the Recovery Partition is corrupted or deleted or even the entire hard drive is damaged.
